St Mary's School is committed to child safety and to the inclusion of all students.

ACKNOWLEDGEMENT

St Mary's acknowledges the Taungurung people, the traditional custodians of the land on which our school is situated. We commit to working in partnership with Aboriginal people for reconciliation and justice.

THOUGHT OF THE WEEK

You must try to be blind to the faults of those around you

21.5.1877

VALUES OF THE WEEK

Love and Compassion

Dear Parents, Friends and Guardians,

We have had an action packed two weeks at St Mary's. Our students have been lucky enough to participate in various activities, representing our school with pride. It makes us all so proud to hear the positive feedback we receive about our students.

Kyabram Club Cheque Presentation

I was fortunate to accompany our grade 6 leaders and some of their families to the Kyabram Club for a cheque presentation to our school. It was a wonderful night. Our student leaders spoke passionately about their love of our school's garden and the impact it has on their learning. The board of the Kyabram Club were impressed by all of the students' efforts in presenting to everyone in attendance. Thank you to Josh, Imogen, Harper, Amber, Patrick, Marcos and Isobel.

Sovereign Hill

Our excursion to Sovereign Hill was a great success. Students loved learning about the history and geography associated with the Ballarat Goldfields in the 1850's. All the students represented our school beautifully and did their school and community proud. It was nice to hear such positive comments from the staff at Sovereign Hill about our students' manners, care and thirst for learning. Thank you to the St Mary's staff who worked a very long day to

ensure that the students were able to have every learning experience possible.

Rochester Netball

Some of our grade 4/5/6 girls represented our school at a tournament in Rochester against Rochester Primary School, Lockington Primary School, Twin Rivers Primary School and Campaspe Cluster Primary Schools. Our girls had a great day out and played some fierce games of netball. Thank you to Amy Francis and Mrs Hitchcock for coaching on the day and organising the day. Also a big thank you to all of the supporters who went along to cheer for our girls.

Rochester Silos

Our school was fortunate to get funding from the Shire of Campaspe to run a bus to Rochester to view the silos. We were able to turn this trip into a day of fantastic learning experiences provided by various members of the community. Thank you to the Shire of Campaspe and Rochester Community for making this trip such a great experience. The silos are certainly worth a look at if you have a free day in the holidays. There is always someone there to discuss the silos – and the students now know where to go to show you the inspiration for the features of the artwork.

I would like to wish everyone a safe and happy holidays. Be proud of your children. They have all completed a fantastic semester of energy filled learning. It is so rewarding for the teachers to see their progress - academically, socially and emotionally. They are a credit to their families, school and community.

Katie Rasmussen
DEPUTY PRINCIPAL

Mondays Breakfast Club

Thursdays Bluearth
(Runners to be worn)

27 Jun (Wed) Campaspe Football Carnival
Selected students only
P&F Pie Drive - Collection
Collect orders from the hall from 2:30pm

FOOTY TIPPING 2018

Don't forget to pick up your footy tipping sheets from the school office, Perrys Meats, Colbinabbin General Store, Stanhope Post Office or Rushworth IGA.

CONGRATULATIONS THEA & WILLIAM

St Mary's School Community wish Thea Nippres and William Parry much love and happiness for their marriage this coming Saturday and best wishes for their future.

Thea will not be at school on Thursday and Friday.

HEAD LICE / NITS

Cases of head lice have been reported at St Mary's School. Head lice are common in school-aged children and are the most adaptable of creatures.

They have survived living solely on humans for 10,000 years. You may be reassured to know that they are commonly found in places other than St Mary's School.

The good news...

We know where they live and we know how to find them.

If you follow these steps, once a week, the control of head lice in your home will be greatly improved.

Step 1 - Comb inexpensive hair conditioner on to dry, brushed (detangled) hair. This makes it difficult for lice to grip the hair or run around.

Step 2 - Wipe the conditioner from the comb onto a paper towel or tissue.

Step 3 - Look on the tissue and on the comb for lice and eggs.

Step 4 - If lice or eggs are found, the child should be treated.

Step 5 - If the child has been treated recently and only hatched eggs are found, you may not have to treat since the eggs could be from the old infection.

If your child has head lice – tell anyone who has had head to head contact with them and ask them to check their family for head lice.

TIPS FOR PARENTS/CARERS IN REDUCING THE SPREAD OF HEAD LICE

At a glance:

As infestations are particularly common in primary schools, it is best to choose a treatment that can be used over time. There is no single solution to eradication, only persistence.

- Regularly check your children's hair.
- Teach older children to check their own hair
 - Tie back and braid long hair
- Keep a fine tooth head lice comb in the bathroom and encourage all family members to use it when they wash their hair.

WELCOME TANYA MARSHALL

This week we welcome Tanya Marshall who is a student from the Rushworth P-12 College. Tanya is completing work experience with our school and will be working in all of the classes throughout the week. We hope that Tanya enjoys her time at our school.

FR JOSEPH

Father Joseph has returned to India. The Bishop contacted the parish to let them know that his Visa was about to end and he had to return to India. Father is hopeful that he will return to our parish in the near future. Mass times will be advised.

REPORTS

Reports will be sent home Thursday, 28 June. If you have any concerns, please contact the school.

CAMPASPE FOOTBALL CARNIVAL WEDNESDAY, 27 JUNE

Selected students will be participating. A permission note was sent home last week. Families need to transport students to the carnival. If you are unable to take your child, please contact the school ASAP.

LAST DAY OF TERM TWO FRIDAY, 29 JUNE

Please remember school will be dismissed at 2:20pm this Friday.

MR DAMIAN DRUM MP VISIT WEDNESDAY, 18 JULY

Mr Damian Drum MP was unable to visit the school during the term one Civics & Citizenship focus due to other commitments. He will visit our school to speak to the students about his role in the Federal Parliament and being a community leader.

LEARNING CONVERSATIONS TUESDAY, 24 & WEDNESDAY, 25 JULY

Forms will be sent out for appointment times early in Term 3.

BEAUTY & THE BEAST FRIDAY, 27 JULY

All students will travel to St Augustine's in Kyabram to watch their production of Beauty and the Beast. Permission forms will be sent home in Term 3.

CATHOLIC IDENTITY LEADERSHIP TEAM FEAST OF ST MARY OF THE CROSS MCKILLOP WEDNESDAY, 8 AUGUST

Students will attend St Joseph's, Nagambie to celebrate the Feast of St Mary of the Cross McKillop, with our neighbouring Josephite school. A permission form will be sent home next term. Here is some of St Mary of the Cross's early life story:

St Mary of the Cross MacKillop Mary's Early Life

Mary Helen MacKillop was born to Alexander MacKillop and Flora MacKillop (nee MacDonald) on 15 January, 1842. Mary was the eldest of eight children. Flora MacDonald, from Scotland, arrived in Australia in 1840, with her mother and brother. Alexander MacKillop was born in Scotland in 1812.

He went to Rome to study for the priesthood, however, he returned to Scotland for health reasons. Alexander came to Australia in 1838 looking for a better life in the new country of Australia.

Alexander and Flora met soon after her arrival and within three months of Flora arriving they were married on 14 July, 1840. Alexander purchased their first family home in the April of 1841, in Brunswick Street, Fitzroy. Mary was born at this home and there is a plaque that marks the place of Mary's birth in Brunswick Street.

Alexander and Flora had eight children, four girls and four boys. The MacKillop children had an unsettled childhood. Mary was educated well by her father; however, Alexander lacked understanding about financial matters. Their home was not a prosperous one and there was not much happiness due to the failure of Alexander's business dealings. Family and friends helped support the family and the family was often without a home. The sense of hopelessness that the family often experienced was countered by Flora's sense of providence, which means that 'God will provide'. This became a significant part of Mary's being and served her well throughout life.

The laneway next to Mary MacKillop heritage centre at 362 Albert Street, East Melbourne is called 'Providence Lane'. The heritage centre is open to the public and is a well worth a visit to experience and discover more about St Mary of the Cross.

<http://www.marymackillopheritagecentre.org.au/>

The children were rarely schooled formally outside of the home, and although Alexander could not

support the family financially, he educated them well in faith and their schoolwork. Alexander could be absent from the family and Mary responded to her father's inability to provide for the family by becoming the family's primary provider. Mary earned her living and supported her family as a governess, clerk or teacher from the age of fourteen. Next newsletter... Mary's move to Penola, South Australia.

VEOLIA WASTE PIONEERS MONDAY, 27 AUGUST

Grade 5 & 6 students will participate in a 6-week program, organised by Veolia and the Shire of Campaspe, called Waste Pioneers. The program aims to engage, educate and promote good recycling habits for the next generation of recyclers. A number of resources will be provided, as well as ongoing support throughout the 6 week program.

The program will be launched on Tuesday, 24 July. Students will participate in a range of activities and an excursion to Echuca for an education session, create a product or business proposal to re-purpose a 1.25L PET bottle, and create and present a 'Pitch' to the Judging Panel. Please let Mrs Hitchcock know if you would like to be involved in the program here at St Mary's.

KYABRAM CLUB CHEQUE PRESENTATION

Two weeks ago the Year 6 leaders attended a cheque presentation at the Kyabram Club. All the students got up and spoke about the money being used for our school vegetable gardens. Everyone seemed to take an interest in our Lemonade Lemons and Thorny Melons. It was wonderful to see the students speaking with such confidence out in the community. A great night was had by all.

Students representing the school at the Kyabram Club.

ROCHESTER SILOS

The 3-6 students visited the Rochester Silos yesterday. Whilst there, the students engaged in an insightful conversation with the artist, Jimmy Dvate and his wife, Carmen, about the project. They learnt that Jimmy has an interest in painting native wildlife to stimulate important conversations about conservation. They were interested to see that grids were used to increase the scale of his original design.

Next, the students visited the Opperman Museum where they learnt about Sir Hubert Opperman's feats as a cyclist and as a community leader. The students then inspected the Rochester Murals and learnt about the artists and their inspiration. Rochester community members - Peter and Judy Anderson shared their knowledge with us at these destinations.

We then had a stopover at St. Joseph's Primary School, Rochester. We were welcomed by Mr Teggelove and Maria who let the students play in their exciting playground. Whilst there, students were able to have a tour of the Chapel and Church. Thanks, St Joseph's for making us feel so welcome.

Then we were off on the Campaspe River Track where Jimmy got his inspiration from for his design on the silos. Students looked for hints of what might be going on the next silo and for the bridge on the current silo.

To finish, students enjoyed chips in the park where they watched Jimmy putting the finishing touches on the first silo.

Thanks to the Shire of Campaspe for funding our bus for this wonderful day of the learning.

Some of the students out the front of Jimmys artwork.

Some of the students admiring the Mural Voting Tree.

SOVEREIGN HILL

The whole school went on an excursion to Ballarat two weeks ago. Here are some of the letters the students sent to them.

Dear Sovereign Hill,

Hi I'm Chloe Johnstone and I go to St Mary's School. I went on an excursion to Sovereign Hill last week. My favourite part was the Secret Chamber Mine tour because it was dark and scary and it was fun. Gold panning was also fun because you got to find gold.

From Chloe

Dear Sovereign Hill,

Hi, I'm Emma and I'm from St Mary's School Rushworth and I am writing to say thank-you for all the things you taught me. I had so much fun that I do not have a favourite thing - that's how much fun I had!

I love how we got to taste the lollies and I love how I got to get dress up in the Education Centre and the gold pour demonstration. Thank-you for letting us touch the gold. The Secret chamber mine tour was so much fun, I loved the tram.

Thank-you.

From Emma

Shantelle enjoying the excursion at Sovereign Hill.

Grades 3 and 4 had a great time at Sovereign Hill.

BETTER BUDDIES

The buddies have had some great fun together this term. They enjoyed sports activities, narrative writing as well as joining together for school events. Last Friday, the students worked on the foundation students narrative writing and helped them to create a text with illustrations using Google Docs. The buddies will celebrate the end of term together on Friday!

Some of the students participating in activities.

F/1/2 CLASSROOMS

Lost Property

There is a large quantity of lost property (jumpers, jackets, etc) near the the F/1/2 classrooms. If you are missing any school clothing items, please come and have a look to see if they belong to you!

Class News

Both F/1/2 classes have had a busy few weeks, leading up to the end of the term. In Reading, we have been focusing on developing our reading and comprehension by using different strategies, such as "Skippy Frog" where you skip the unknown word, read until the end of the sentence and then go back to the word to see if you can workout what it is and "Determining Importance" where we have learnt about what information is important in a text and why readers use this strategy to help them to become better readers. We have identified joining words in our texts and Big Books and have learnt about why these are important in both reading and writing. In Writing, we have been working on developing our narrative writing skills and identifying the different parts of a narrative through character development, setting, plot, problem and resolution. Students have thoroughly enjoyed creating their characters for their narratives and are currently in the process of writing their drafts of their own narratives. Our next step is completing the good copies and publishing our wonderful stories! We look forward to sharing them with you all soon. In Maths, we have been learning about time and place value. We have enjoyed creating our own clocks and learning how to tell o'clock and half past times. Students have enjoyed

exploring a range of numbers using MAB blocks and identifying the place value of digits in a range of numbers.

ROCHESTER NETBALL TOURNAMENT

We had two netball teams attend the Rochester Netball Tournament. Our teams played some great netball and thoroughly enjoyed themselves. All students did a great job at representing our school and were respectful and fair throughout the eight games of netball.

Thanks to Rochester Primary School for organising a fantastic afternoon of sport. Thanks to Amy Francis for coaching, all the families for transporting the students and for their wonderful supporting and cheering!

4/5/6 girls enjoying their netball at Rochester

Harper Francis

Elí Shelton

Wishing a very Happy Birthday to all who are celebrating their birthday in the coming weeks and months.

STUDENTS OF THE WEEK

Week 10/Term 2

F/1/2KJ: Roy Gleeson & Aliveah Garvey

Wednesdays 9am - 11.30am

Psychologist:

Rachael Masiboy
Every second Monday

Pap Nurse Provider:

Nicole Brereton, Monthly

'Achieving a healthy community is our Mission'

Children's Chatter Matters!

Language Learning activities to have a go at home.

9. Word Builder:

Give your child base words and prefixes/suffixes and see how many words they can build, and what meaning they might have:

- Prefixes: un- de- pre- re- co- con-
- Base Words: play help flex bend blue sad sat Management
- Suffixes: -ful -ly -less -able/-ible -ing -ion -y -ish -ness -ment

10. Finding root words and syllables in "Big Words":

Ask your child to preview the next chapter of their textbooks and write down 10 "Big Words." Next, have them highlight the root words that they recognize and take off any affixes that they see. Next, they should break up the remaining parts of the word into syllables. Encourage them to infer the meaning of the word based on these word parts. Ask them how they would pronounce the word. A couple of examples follow:

Metamorphosis:

- Root: Morph (change)
- Affix: meta (whole/big picture)
- Possible meaning: change of the whole thing
- Possible pronunciation: meta/morph/a/sis

Oxygenate:

- Root: Oxygen (an element on the periodic table)
- Affix: -ate (to fill)
- Possible meaning: to fill with oxygen
- Possible pronunciation: ox/y/gen/ate

Where: Castlemaine Primary School
Contact: CDCH Reception on 5479 1000

Book now! Groups are subject to minimum and maximum numbers.
 Childcare is not available unless specified.

Term 3 - Regional (continued)

Parenting Conversation

When: Wednesday, 1st August
Time: 9.30am - 11.00am
Cost: Free
Where: St Mary's Primary School, Inglewood
Contact: Jayne Lahtz on 0458 200 847

Kids and Worry

When: Wednesday, 22nd August
Time: 12.30pm - 3.00pm
Cost: Free
Where: Maryborough Education Centre
Contact: Elana Stoklahsa on 5461 7900
or stoklahsa.elena.m@edumail.vic.gov.au

PARENTS WANTED

Tuning in to Kids for Co-parents

"Co-parent" refers to two caregivers who work together to raise the child. The program is for all types of couples, including couples who are married, de-facto, separated, step-, or biological/non biological, same-sex, and non-custodial parents. It also includes couples/two people caregiving for children in foster/kinship care.

WHAT IS THE STUDY?

This study invites parents/caregivers to attend a *Tuning in to Kids for Co-parents* parenting program to determine whether the program helps parents/caregivers respond to their children's emotions.

It is expected that Tuning in to Kids for Co-parents will help parents/caregivers to:

- understand children's brain development and emotions
- assist their children to prevent/reduce challenging behaviour
- work together when responding to their children's emotions
- stay calm when dealing with their children's challenging behaviours
- help their children manage difficult feelings (e.g. fear, sadness, frustration and anger)

WHO CAN PARTICIPATE?

We are seeking adults who are currently raising a child/children (aged 3 - 10 years old) together.

WHAT DOES THE STUDY INVOLVE?

Participating parents/caregivers will complete an initial online survey that asks about: child behaviour and emotions, parent wellbeing, how parents relate to their child, and how parents raise their children together.

Parents/caregivers will then be allocated to begin the *Tuning in to Kids for Co-parents* parenting program **immediately (Term 3)** or after an approximate **nine month delay**. All parents/caregivers will have the opportunity to attend the program.

Throughout the research parents/caregivers will complete additional questionnaires, and the immediate-start group will also be asked to participate in a phone interview.

WHAT DO I DO NEXT?

If you would like to participate, please contact Christina Ambrosi (PhD Candidate) to discuss the research further:
christina.ambrosi@mymail.unisa.edu.au

This study has been approved by UniSA Human Research Ethics Committee (approval number 200349). If you have any ethical concerns about this project, please contact the Executive officer of the Committee at +61 88302 3118 or Vicki.Allen@unisa.edu.au

WHAT A BUSY TERM 2 WE HAVE HAD

SOVEREIGN HILL

Amber, Harper, Isobel, Imogen & Josh.
