### VALUES OF THE WEEK

Love and Understanding

### Luke 2:1-20

In those days a decree went out from Emperor Augustus that all the world should be registered. This was the first registration and was taken while Quirinius was governor of Syria.

All went to their own towns to be registered. Joseph also went from the town of Nazareth in Galilee to Judea, to the city of David called Bethlehem, because he was descended from the house and family of David.

He went to be registered with Mary, to whom he was engaged and who was expecting a child.

While they were there, the time came for her to deliver her child.

And she gave birth to her firstborn son and wrapped him in bands of cloth, and laid him in a manger, because there was no place for them in the inn.

In that region there were shepherds living in the fields, keeping watch over their flock by night.

Then an angel of the Lord stood before them, and the glory of the Lord shone around them, and they were terrified.

But the angel said to them, "Do not be afraid; for see—I am bringing you good news of great joy for all the people: to you is born this day in the city of David a Saviour, who is the Messiah, the Lord.

This will be a sign for you: you will find a child wrapped in bands of cloth and lying in a manger."

And suddenly there was with the angel a multitude of the heavenly host, praising God and saying,

"Glory to God in the highest heaven, and on earth peace among those whom he favours!"

When the angels had left them and gone into heaven, the shepherds said to one another, "Let us go now to Bethlehem and see this thing that has taken place, which the Lord has made known to us."

So they went with haste and found Mary and Joseph, and the child lying in the manger.

When they saw this, they made known what had been told them about this child; and all who heard it were amazed at what the shepherds told them.

But Mary treasured all these words and

pondered them in her heart.

The shepherds returned, glorifying and praising God for all they had heard and seen, as it had been told them.

***On behalf of St Mary's Staff, I wish all our families a very happy and holy Christmas and a wonderful New Year. We thank you for your ongoing support throughout the year and for your enduring commitment to your child/ren's education. Through working together with our parents and carers, we can encourage and promote improved learning outcomes among our students. God bless you all and have a safe and happy holiday.***

### GRADE FIVE JUST LEADERSHIP DAY

The Grade Five representatives did an absolutely great job at the Just Leadership Day on Friday, 30 November. They demonstrated the wonderful leadership qualities of compassion, hope for the future, courage, determination, collaboration and initiative through their participation.

The students made new friends from the other schools, learned a lot about what makes a good leader and a range of local, national and global issues. They came up with a range of actions they could undertake to create a more just and sustainable world for all.

Students are looking forward to putting all they learned in to action when they launch the Caritas 2019 Project Compassion at the beginning of Lent next year.

*Shantelle, Zahley, Elsie-May & Ella enjoyed the Just Leadership Day*

## Children's Chatter Matters!

Language Learning activities to have a go at home.

Ten activities will be provided during term 4 focusing on pragmatic language skills. Pragmatics refers to the social use of language and includes what we say, how we say it, our body language and whether it is appropriate to the situation.

7. Discuss feelings and emotions and encourage the use of words rather than actions. Model sentences to your child e.g. I can see you're upset because... Give examples and provide reasons e.g. That makes me feel ..... because.... Try to use a range of different vocabulary such as excited, embarrassed, upset, confused.

8. Try to communicate with your child without using words. It will be important to use facial expression and body language.

9. Encourage your child to order their own drink or food from a café. They will need to greet the waiter/waitress, request their items and end the exchange appropriately with thank you.

10. Language is used for a huge range of purposes. Has your child had a chance to practice all of these this week:
