## EASTER – A TIME TO RENEW FRIENDSHIP WITH JESUS

The workings of nature as exposed to us in the Australian environment, are truly remarkable. Days of torrential rain has caused rivers and dams to overflow and resulted in widespread damage to nature, livestock and infrastructure. Twelve months earlier the country was ravaged with drought followed by fierce bushfires where everything in the path of the fire was destroyed. All the while Australian citizens have been in the middle of a serious pandemic. In these instances, an essential ecological cycle of life is at work as it has been for thousands of years.

Likewise, in the Church's Liturgical cycle, Easter is a time of revival of faith in the Risen Christ, a time to revive your personal friendship with Him.

In as much as the trees, shrubs, grasses and animals, fish and bird populations are sustained in their natural environment by annual rainfalls, so too does our human spirit need to be nourished, refreshed and sustained in our effort to grow and reach our fulfilment.

The celebration of Easter, which firstly saw Jesus voluntarily accept Calvary and then rise gloriously from the dead, is a wonderful time for a family to revive and revitalize its friendship with Jesus.

Through this friendship God's love can flow through

our family into the world. If we parents can hold faithfully to something stronger and greater than ourselves, Then we can provide the stability and inspiration for our children in their attempts to rise to the challenge of goodness. Easter is definitely a time to renew our friendship with Jesus and receive the food of his life in the Sacraments. From Leon Burke

*"Lord, May Your Easter faith always flow freely in our lives.*

*May we allow the Risen Christ to become more life-giving for us. Amen".*

*We wish our school community a holy and very peace-filled Easter. Enjoy the holidays with your family and stay safe.*

### **BALLARAT EXCURSION**

Last Friday our whole school travelled to Sovereign Hill, Ballarat for our whole school excursion. Students and teachers left early and travelled through Heathcote and Daylesford to Ballarat. The weather was magnificent with the sun shining all day. Our students enjoyed being immersed in the era of the Gold rush. We panned for gold, watched a gold pour, saw candles being dipped, watched the soldiers gun salute, had a very informative educational lesson and our senior students went underground on the mine tour. It was great to see so many children from many different schools enjoying the facilities at Sovereign Hill. Our students were outstanding and we received many comments from Sovereign Hill staff acknowledging our students' excellent behaviour. It was a relaxing trip there and back – the country side looks wonderful after the recent rain.
