2021 School Fees & Levies

The following are the fees and levies for St Mary's School 2021. There has been a slight increase to the family fee, to comply with recommendations from the Catholic Education Office, Sandhurst. All 2021 excursions are included in our excursion levy, and this should eliminate the need to send money to school for sports days, Life Education, swimming program or other excursions or incursions. If students are selected for region or zone competitions this will be at their family's expense if they choose to participate. If you would like to discuss fee payment options or make other arrangements for your fee payments please contact the school to arrange this.

The table below has some examples of what a family may be charged for the 2021 school year and instalment options. If there is not an option to suit your family, please contact Mrs Fraser or Georgia Francis and she can work out an instalment plan for you. School fee relief is available for families to access. Please contact Mrs Fraser to discuss. Please indicate how you would like to pay school fees for 2021 on the slip below and return to school ASAP. Thank you.
